Description

Our partner will be looking for a marketing / business development intern to help with digital marketing and outreach this summer in Berlin office.

Responsibilities

This will include:

- setting up and managing online campaigns
- customer support
- prospective customer research and outreach
- and other related tasks

Company's presentation

Our partner is a new technologies start-up that created a powerful query-builder that gives analytical people all the power of SQL, without the learning curve.

Profile required

You are fluent English, available for a 3 months internship.

You are organised, team oriented and you have a positive attitude in any circumstances.

Recruitment process

First Skype interview with PIC Management and presentation of vacancies. Confirm the vacancy with your school (internship agreement) and activate your application.

Fee charged only once the internship is secured with the host company you previously chose. 385 euros for a 3 months internship, 15 euros/additional week
